The Long Wait Is Over

At last, soccer is back.

Welcome back to all players and managers and especially new members.

We had 1 game this weekend where our U13's travelled to Tralee to play Kingdom Boys. Report to follow.

A new start to the season with the 13's and a tough start it was and a game of two halves. It was always going to be difficult against one of the favourites for the league this season. In the first half the defence played very well and a great performance from Conor, Hugh, Ethan and Dylan and some great goal keeping from Connor and we managed to keep the score at 0-0. Kingdom boys also missed a few good chances. The second half was a different story. Kingdom boys upped the tempo and attacked more and finally managed to score. We then had a great chance when Sean took the ball past 3 players and shot with the keeper well beaten. The supporters were jumping up and down but the ball missed by inches. Mark was in goal for the second half and had a great game and some great saves to keep the score down. Then we conceded 4 more goals to complete the scoring. A tough and well though game and a very good team performance with some lovely football played at times. A big thanks to all the parents that helped.

Club Sympathy

We in Killorglin AFC would like to pass on our sympathies to former players and managers Sean & Brian O'Sullivan, current players Andre & Cian on the recent death of their father/grandfather and former Club Chairman Con O'Sullivan. May he Rest In Peace.
