Killorglin v Kingdom Boys 7pm

Heartbreak For U12 Warriors As League Slips Away

Sometimes football is cruel. The best footballing team don't always win. But that is not why we play football. We play because we love the game and we play for enjoyment. Speaking as a supporter I really loved the game last Saturday and got great enjoyment from watching it.

Credit must go to The Park who go through to the league final next week against Killarney Celtic. They needed a point to force a play-off and they got a point. They could have snatched all 3 in the end.

The Park went ahead in the first half with a super goal following a good move, It was a lead they deserved as Killorglin struggled to get a foothold in the game.

But good teams never give up and Killorglin got a deserved equaliser early in the 2nd half following super work from Geariod Hasset as he squared the ball to Jack O Connor who finished with aplomb. Hasset was more than a thorn in the side for Tralee with his great movement on and off the ball. In short he was excellent.

Hasset and young Purcell were proving more than a handful for the Park and their superb keeper keep the Tralee side in the game with some fine saves.

Unfortunately the winner was not forthcoming but there is a cup final to look forward to. If the team continues to play good soccer success will follow.

U14's Win at home against Ballyhar with Conor Standen getting 2 and Aaron McCarthy, Dylan O'Sullivan and Mark O'Connor one each in a 5—1 win.—congrats to all
