Bad Weekend Away From Home But.. The U12's

Unfortunately both U16's lost on their travels this weekend going down to Killarney Athletic and The Park Saturday morning. It wasn't the ideal start when there was 6 regulars missing through injury and other commitments but we had 23 fit and able players and they all enjoyed themselves.

The game against Athletic was a super game where lapses in concentration cost us as last years league winners got the better of us—we did score some great goals through—Gavin McKenna and Dan Whittelton.

However our U12's have maximum points from their two games and on this occasion were too strong for Kingdom Boys who goal came from David Rogers. Gearoid Hassett hit three and Dara Purcell, Jack O'Leary, Jack O'Connor and Dylan O'Neill all added one each in Killorglin's win.

Meanwhile Robbie tells me the Saturday morning club is thriving with growing numbers so if you feel like joining in just let Robbie know.

Jose Mourinho

"Like me or not I am the only one who has won the world's 3 most important leagues. So maybe instead of calling me "The Special One" people should start calling me "The Only One"
