Kennedy Cup Update

Congratulations to both Conor Standen and Dylan O'Sullivan for making the Elite Squad in preparation for the upcoming Kennedy Cup. They will train twice weekly.

Our other 4 participants—Aaron McCarthy, Jonathan Kissane, Pdraig Cronin and Kealon Cahill haven't been forgotten as they will train once a month in the hope of getting selected for the competition in Limerick. Keep up the good work everyone.

Weather Plays Havoc With Fixtures

Strikes from Dylan O'Neill and Killian Murphy enabled Killorglin U12's conquer St Bernards in this league clash Saturday afternoon on the all weather pitch. It was the first league defeat for St Bernards so congrats to all involved.

Unfortunately the U16 B team lost away to Castleisland 0—3 the same day. On a very heavy pitch the boyts were doing well but a 2 goal flurry at the end of the game enabled the Castleisland boys to out some daylight between the sides.

Messi wasn't a regular with Barcelona Underage teams until he was 14 "I always thought about carrying on training and working, chasing my dream. I was lucky that when Tito Vilanova came I began to play more often & from then on my career changed in the youth system."
