A Couple Of Wins & Losses

In the Cup the Killorglin A team got the better of The Park, with goals from Dara Purcell and a Jack O'Connor 30 yard screamer late on. The B team were not so lucky.

Our U16's had mixed results as well but the manager might hold onto his job ... just.

Earlier in the week there was a better outcome for Killorglin A as goals from Dan Whittleton 2, Andre O'Sullivan, Tim Kennedy and Luke Connolly gave them the points against Camp for whom Jack Nix scored.

A Dean George goal was all the separated Killarney Celtic B and Killorglin with the three points going to the away side.

Unfortunately the U16's B's came off 2nd best away to ballyhar.

Congrats to U16 Player Dan Whittleton on his selection for the upcoming Kerry U16 game this weekend. Best of luck Dan.

The French Cup last 32 game between Marseille and Rouen (3rd Division) was postponed because of a Gas leak in the Normandy City—odours wafted all the way to Paris and across the English Channel
