Only 2 Games This Weekend

In the non competitive U11 League our teams travelled to Listowel and Kenmare. All players got game time and management were impressed with the performance of all.

As the season enters its final months we again appeal to parents/relatives/friends to step forward to help run all the teams next year. This year we again had 10 underage teams competing from U11 to U16 as well as the successful Saturday morning sessions.

The more we have helping out the easier it is on the teams.
