A Good Easter—1 Point Dropped

Our U14's had a great comeback at home to Asdee Saturday afternoon. We were 2 goals down after 15 minutes but rallied with 4 goals to salvage the points. Last game of the season is coming up and we are currently 1 point behind the leaders Listowel who are also on their last game.

Last game for this age groups is Killorglin at home to Listowel

Our U16 B team were also at home to Fenit Saturday morning. Dan Whittelton rose from his sick bed to put the home team ahead but Fenit were leading by 1/2 time. Late in the 2nd half Jack Stanton scored his first goal for the club to snatch a deserved point for the home side.

Sion, Switzerland President after making Italian Gattuso his 4th manager this season—"picking a coach is like buying a melon, they make look nice on the outside but you really only find out what they are like when you open them up."
