## Not Such A Good Weekend

Unfortunately our U15's and U13's took a bit of a hammering this weekend but our U11's had great success in Mastergeeha

But the lads who had the best success were those Saturday morning involved in the underage academy. There must have been over 65 young boys all have great fun in the super September weather.

It was also great to see so many parents watching and don't be afraid of lending a hand if its only with bibs and cones all the help is welcome.

Best of luck to all teams next weekend.

### Park 10-1 Killorglin 13's A

Another week and another tough game. It was always going to be hard to go to Park and come back with a result. We started not too bad but Park managed to score after 5 minutes. They then scored another 3 before half time. They would have made the scoreline even higher but for some great goalkeeping and a couple of incredible saves from Conor. In the second half we changed some players and brought Cathal Crosby on. He managed our only goal with a very well taken goal, rounding the keeper before calmly slotting it into the empty net. The scoring continued at the wrong end though. Some hard working performances and let's hope for some easier opposition next time out.
